

ARM Training is held in Tallahassee over 3 days. On Tuesday and Thursday we will meet in Room 307 of the RA Gray Building. The RA Gray building is located in downtown Tallahassee at 500 S Bronough St (3 blocks directly behind the Capitol). The RA Gray building houses the State Library, Archives, and the Museum of Florida History. Please arrive by 8:30 AM on Tuesday. On Wednesday we will meet on location at a near by site for field training. Maps will be provided in class. Field work involving digging is planned, so you may want to wear old clothes on that day. If you have cotton or leather work gloves, you might want to bring them to protect your hands during the soil sifting process.

Directions to the RA Gray Building from the Capitol

Starting in front of the Florida Capitol, head north on N. Monroe St and go one block. Turn left on to Jefferson St. and go 3 blocks. Turn left onto to Bronough St. (one way street going south). The RA Gray Building is on the corner (500 S Bronough St.). Pass in front of the building and then turn right into Level 3 entrance of parking garage.

Parking

Free visitor parking is available on the third level of Parking Garage E, which is next to the RA Gray Building. Entrance is from Bronough St. (one way street going south). Take a right, just after you pass by the front of the RA Gray Building. Go up the ramp and Visitor Parking is along the outside walls and is free. The spaces will be marked visitor. There is normally plenty of parking in the morning, however sometime in the afternoon the spaces fill up. Additional parking is available in Kleman Plaza for a fee. Currently the fee is \$1.00 for the first hour and \$0.50 for each additional hour, with a max of \$5.00 a day. Additionally there is various street parking with meters for \$0.25 per hour.

Directions to Meeting Room 307

Enter the building from the front lobby. Sign in at the front desk and then go up the elevator to the 3rd floor. Exit the elevator and turn right into the Division of Historical Resources. Follow signs to room 307.
