

AGENDA

The Future of the Isolated Finds Program

Monday, June 28, 2004, 1:00pm-3:00pm
Holiday Inn-West, Grenada Room
7417 Newberry Road, Gainesville, Florida

- I. Welcome and introductions, Ryan Wheeler
- II. Options identified for a more effective program, Ryan Wheeler
 - A. Permits issued to river collectors based on a rule to be developed by DHR, similar to a Florida Vertebrate Fossil Permit
 - B. Closing rivers within managed areas (i.e., state parks, preserves, forests, wildlife management areas) to collecting
 - C. A training program for river divers who want to apply for permits
 - D. Amnesty for reporting older collections, and an opportunity for river divers to assist in recording data on older collections
 - E. Application of existing misdemeanor and felony penalties for collecting without a permit.
- III. Discussion of options
- IV. Next meeting
- V. Adjourn
